We are very pleased to have been asked to list an iconic Rival 41 A for sale. Not only that, she is hull no.57 and the very last one to be built, so a piece of English boat building history.

A comfortable, well appointed serious passage maker that can be sailed by just two, the Rival 41 is more than capable of extended voyages and has an extremely spacious and well designed layout.

Finished to Lloyds 100A1 by Rival Yachts Ltd and completely factory fitted, she has all new standing rigging (as of July 2014). Her owners have kept to a regular programme of maintenance and still hold the majority of the original drawings. She now needs some some further ongoing updating and has been priced accordingly.
