Hallberg Rassy 34 For Sale.

With her efficient keel and sturdy fractional rig HR 34's have won many races, although at the same time offering great comfort for long distance cruising sailors.

The vast 2.24 m aft cockpit is well protected from the sea by the Hallberg-Rassy typical wind screen with halyard and reefing lines controlled from the cockpit.

The maneuvering ability is excellent, as well as the sailing qualities and of course the fit out and quality of construction are to the highest standards.

This example has been lightly used in recent years and presents extremely well. Her interior in particular is in very good condition indeed.

Well maintained and with low engine hours she should rise rapidly to the top of any shortlist.

Viewing is highly recommended.

#### OWNERS COMMENTS:

"We collected Dragonfly from Ellos in April 2003 and sailed her back to the Holyhead via the South coast of Sweden, Stockholm and the Gota Canal. In 2004 we explored Scilly and the South coast of Ireland. Ever since then we have spent our cruising months in the West of Scotland - mostly the area between the islands of Barra and Lewis to the West and Ullapool and the Clyde to the East, with one trip to Orkney. She has proved a very comfortable and convenient boat for two people to handle and we relished her fast performance under sail!

The weather is not always "balmy" in North West Britain but we found her fine to handle in surprisingly tough conditions!"
