Description

Westerly Oceanranger For Sale

Designed by the renowned yacht designer Ed Dubois, the 38 ft Oceanranger is a seakindly and capable centre cockpit yacht, equally at home blue water cruising or sailing in local waters.

Accommodation is excellent with two large double cabins, two separate heads, (one ensuite to the aft master cabin) a useful passage cabin and up to eight berths in total.

With her bowthruuster and inmast furling, Sherpa is easily sailed either short handed or by a couple.

Sherpa was the 1995 boat show model, and is also the rare version with dual level portlights, giving lots more light and excellent views out from the saloon whilst moored or at anchor.

Known to us in the past, we sold her to the current owner who had plans for her to be taken on a sabbatical to the Med. Unfortunately, an unexpected but welcome job opportunity means the sabbatical is now on hold for a number of years.

Therefore, reluctantly after her mini re-fit, Sherpa is now for sale.

Extensively upgraded in recent years, full details are in the specification section but her highlights include:
