OWNERS COMMENTS:

Martha has been our pride and joy over the last few seasons. Having bought her in Greece and sailed her home to a major re-fit in 2014/15 we have been continually upgrading her. We have been to the Baltic, Holland and the French west coast in the last three years and she has proved herself to be an amazing all weather sea boat.

From sailing the inland waters and canals of the Netherlands to offshore in the Biscay and through storms off Latvia she has never let us down. A fantastic family boat, loads of accommodation and locker space.
