Hull	GRP
Keel	Fin keel

Description

Dufour 40 Performance For Sale.

The Dufour 40 became an instant legend when first launched and won the prestigious French Boat of the Year at the Paris Boatshow.

She cleverly combines great sailing performance (so good that a 40 won the 2005 IMS World Championship in the IMS 670 class) with ease of handling and cruising comfort. With many completing extended voyages to the Mediterranean and beyond.

This particular hi-spec example is the 3 double cabin version. She has the benefit of many recent upgrades, including new sails and rigging, and was built 2007 but not delivered to her first owner until 2008.

A capable cruiser but also with an exciting level of performance and extremely well specified, viewing is highly recommended.

Full details are in the specification section but her notable highlights include:

- New Standing Rigging Oct 2019
- New Hyde Radial Warp Drive Main and Genoa 2019
- Saildrive Seal replaced 2016
- Engine serviced March 2019
- Three Bladed Folding Prop
- New Electric Windlass 2017
- Raymarine and Garmin instruments/plotters
- AIS Receive and Transmit
- New Cushions and Mattresses 2018
- Eberspacher heating 3.5 Kw with 6 outlets
