#### OWNERS COMMENTS:

This category A Ocean yacht has been lovingly looked after, meticulously maintained and upgraded throughout over five years of cruising by her third owner and it is with reluctance that she is for sale. She is kind to her crew, comfortable to live aboard and roomy for 36 feet. There is plenty of storage for extended voyages and Mañana has been adapted to make cruising aboard safe and even more enjoyable. She has proven herself a capable ocean cruiser having crossed the Atlantic in 2017, spent a season in the Caribbean and returned in 2018. The rig was replaced and blue water equipment was added to facilitate this voyage. She has also sailed round Britain in 2019. She comes with an extensive inventory of spares and tools and is ready to go. See [mananatodayblog.wordpress.com](http://mananatodayblog.wordpress.com) for a full account of Mañana's Atlantic adventures.
