OWNERS PERSONAL COMMENTS:

Ariana is a very well-equipped yacht and has given us 12 years of wonderful sailing. She is a very safe and comfortable seaworthy yacht and very well-mannered in all the weathers we have encountered on our cruising to Biscay and the West country. If it wasn't for ill health we would not be parting with her. She has only been used very lightly for the last 3 years and last year not at all, but all her machinery has been run weekly.

Lying: Fort Block House Gosport – NB notice required for security clearance, with name and car registration
